# IES COLLEGE OF ARCHITECTURE

Since 2012, IES College of Architecture stands proud within the lush 40 acres of land of IES education city, 10 km away from the heart of Thrissur and 2 km away from Thrissur Calicut NH. IESCA was set up in the hope of creating and nurturing young architects who are trained enough to make a significant spot of their own in the arena of architecture. The institution has always managed to provide educational facilities at it's finest, catering to the needs of every student. Within the course period, the educational quality we provide allows every young architect to test and tame themselves to every hurdle the profession puts before them in the real world. We here

## OUR VISION

To be a centre for excellence by providing quality Architecture Education to mould the aspirants to become responsible Architects committed to society and environment for addressing up-coming global challenges of the profession.

## OUR MISSION

To inculcate intellectual curiosity and critical thinking in students through inquiry based learning; thereby developing their creative abilities and competency within the realities of the profession, enabling them to approach architecture in a holistic way for envisioning a better and enhanced environment.
