Our faculty, Asst. Prof. Emie B Fair, led an insightful session on the Western Ghats, shedding light on Kerala's vulnerability to climate change and the critical findings of the Gadgil & Kasturirangan Reports. The session explored global climate dynamics, the significance of the Western Ghats study, and the architect's role in disaster-prone design. Special thanks to our student presenters Abdulla Ashik PK, Blessin George, Aditi P, Anix Joe K, Sethulakshmi S, Anagha Puthiyaveettil, Ann Mary Rose TD, Fathima Sageer, and Mohammed Adhnan for their outstanding contributions, Staff Coordinators: Asst. Prof. Emie B Fair & Asst. Prof. Varsha Vivek

We also hosted a thrilling quiz competition, organized by Asst. Prof. Mithun Leo. Students showcased their quick thinking and in-depth knowledge across a range of topics. Congratulations to the winners and participants for making it an engaging and competitive event!
