## VYUHAM

24th & 25th APRIL

## ARCHITECTURAL DESIGN CONFERENCE

A group photograph capturing the students, faculty, and management of IESCA together in the event.

### PUBLIC TOILET PRESENTATIONS

S8 students presenting their public toilet design proposal, focusing on functionality, accessibility, and user-centered planning.

The design proposal focused on creating hygienic, sustainable, and user-friendly public sanitation spaces through thoughtful planning and efficient design solutions.

IES College of Architecture hosted Vyuham 2026, a design conference celebrating student driven architectural work. The event gave students a platform to present design papers, showcasing their ideas, and spatial thinking.

The conference featured presentation categories on High-Rise Buildings and Public Infrastructure, with participants presenting their ideas through oral and poster presentations.

The event also included a design competition and witnessed participation from institutions including SAP, GEC Thrissur, Vishwakarma University Pune, SCMS and IESCA

### INAUGURAL SESSION

The session began with a prayer by Binitta(S8) & Ananya(S1), setting a respectful and positive tone. The welcome address was delivered by Prof. Vineetha PS, who welcomed the guests and everyone present at the event

#### PRESIDENTIAL ADDRESS & CHIEF GUEST ADDRESS

The Presidential address was delivered by Mr. Abdul Rasheed KP which emphasized the importance of architectural innovation and education and felicitations for the conference. Mr. A Prasad (Deputy Mayor, Thrissur Corporation) delivered the Chief Guest Address highlighting the role of architecture in public development especially in the upcoming plans of Thrissur Corporation Toilet designs. A copy of the Public Toilet Designs Designed by the Fourth year students were handed over to the deputy Mayor by Shiyas of S8 and Principal for future.

#### LIGHTING OF THE LAMP

Inauguration ceremony was done by the guests present at the event by lighting the lamp.

### EXHIBITION

The exhibition at Vyuham 2026 showcased a curated collection of student design works, studio projects, and conceptual explorations, presenting innovative architectural ideas and academic design exercises.

**EXPERT TALKS**

Akhilesh Ramesh from the WASH Institute discussed sanitation challenges and sustainable, user-centered public spaces, while Ms. Smitha C. V. from the Kerala Pollution Control Board addressed environmental considerations, technical aspects, and regulatory guidelines related to architectural design during the S8 students' presentation session.

**KEYNOTE SPEAKERS**

Vyuham 2026 featured keynote sessions by Ar. Biju Kuriakose, Ar. Josy Paul, Ar. Vivek P. P., and Ar. Amrutha Jayan, each sharing valuable insights from professional practice and architectural design. The sessions explored contemporary architectural thinking, public projects, community spaces, and real-world experiences, offering students a broader understanding of architecture across diverse cultural and urban contexts.

**PAPER PRESENTATIONS**

The conference continued with student paper presentations under the Public Infrastructure category, exploring themes such as brownfield redevelopment, adaptive reuse, climate-responsive design, mobility infrastructure, and sustainable public amenities. The presentations highlighted thoughtful architectural responses to social, environmental, and urban challenges.

**SPONSOR TALK**

Sponsor presentations were delivered by United Water Treat and Prime Group of Companies, highlighting industry participation and professional engagement during the event. The conference was also supported by Sobha Realty and Bath & Beyond Sanitaries, acknowledging their contribution to the successful conduct of Vyuham 2026.

**FELICITATION**

Ar.Monolita Chatterjee, Vice Chairperson of IIA Kerala Chapter, & Mr.Rajeev S.D, Panchayat Member, acknowledged the contributions of the organizers and dignitaries & also addressed the installation of the IIA Students Centre at IESCA.

**IIA STUDENT CENTRE INSTALLATION**

The IIA Student Centre Installation Ceremony at IESCA marked the formal induction of the student office bearers: Shiyas P.A.(S8)-Chairman, Fidha Majeed(S6)-Chairperson, Melvin(S8)-jt.Secretary, Evelina(S6)-Treasurer, Raheema(S8)-Member, Adithya(S1S2)-member, Hamda(S4)-member, Hari Krishnan(S9)-member, Shiza(S6)-member. The installation highlighted student leadership, participation, and collaborative engagement within the architectural academic community.

The installation ceremony marked an important step in strengthening student participation within the architectural academic community. The newly inducted office bearers officially assumed their responsibilities, representing the student body under the IIA Students Centre at IESCA.

The event also highlighted the importance of leadership, teamwork, and collaborative engagement among students. Faculty members, dignitaries, and students gathered to congratulate the newly elected members and encourage their future initiatives and activities under the IIA Students Centre.

# HIRAETH 2.0 IESCA ALUMNI MEET

Reuniting with the people and memories that made college unforgettable with a night filled with songs, smiles, and nostalgia. An evening thoughtfully planned with memories, reunions, laughter, music and moments to cherish forever

## 2026-28 EXECUTIVE COMMITTEE

The Alumni Meet brought together former students also marked the formation of a new alumni committee, encouraging continued engagement and stronger collaboration within the IESCA alumni community. The session encouraged alumni to actively contribute to the growth of the institution through future collaborations, mentorship, and participation in academic and cultural initiatives. It also strengthened the sense of connection and shared identity among members of the IESCA alumni network.

## REPUBLIC DAY Celebrations

IES College Of Architecture commemorated Republic Day with a dignified celebration that highlighted the values of unity, democracy, and national pride. Students and faculty participated in the event, marking the occasion with enthusiasm and respect for the country's heritage and constitutional ideals.

The national flag was unfurled as part of the Republic Day celebration, marking the beginning of the ceremony with dignity and respect. Students and faculty gathered to witness the moment, and to say the pledge, reflecting on the significance of freedom and national unity.

## KALAMELAM - DZONE COMPETITIONS

**ANANYA M**  
2<sup>nd</sup> in Poem Recitation  
3<sup>rd</sup> in Light Music

Students of IES College of Architecture participated in the D-Zone Competition conducted at Ansar Women's College Perumbilavu, from 5th to 9th February, showcasing their talents in various cultural and artistic events. The competition served as a platform for students to express their creativity.

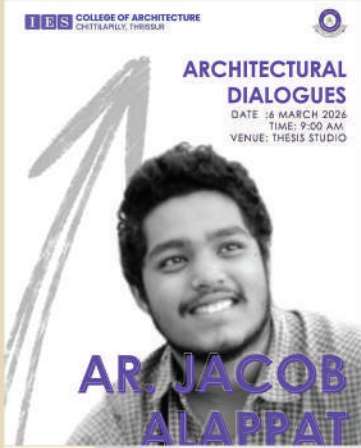

**ADITH RAJESH**  
1<sup>st</sup> in Oil Painting  
1<sup>st</sup> in Pencil Drawing

In the competitions, Adith secured 1st in both Oil Painting and Pencil Drawing, while Ananya secured 2nd in Poem Recitation and 3rd in Light Music. Adith Rajesh has been awarded the "CHITHRAPRATHIBHA TITLE" and is eligible to participate in the Inter Zone Competition.

## Rack & Crack - Tech Fest Competition

Team IESCA from S8 won first place with a cash prize of Rs.30,000 in the RACK & CRACK – a high-intensity Revit-based BIM Design & Modeling Competition, organized by the Department of Civil Engineering, Christ College of Engineering Irinjalakuda, under the banner of TECHLETICS '26.

## ARCHITECTURAL DIALOGUES

06/03/26 - IES College of Architecture hosted an engaging session titled Conversations that Shape Architectural Thinking. The Architectural Dialogues featured Ar. Jacob Alappat, who shared valuable insights from professional practice and design, offering students a deeper understanding of architectural approaches and real-world experiences.

## CARPENTRY WORKSHOP

Conducted from 18/02/2026 to 20/02/2026, the Carpentry workshop introduced students of Batch 2025 to basic joinery techniques and material understanding. As a hands-on exercise, students recreated the Steltman Chair by Gerrit Rietveld, gaining practical experience in craftsmanship.

## WOMEN'S DAY AT IESCA

05/03/26-IESCA celebrated Women's Day with meaningful activities focused on awareness & reflection. The celebration included a meditation session guided by Asso. Prof. Salabha T.G., followed by a presentation by Muhammed Adhnan and Gino Joy, highlighting the contributions of women in the field of architecture and their noteworthy works.

## IFTAR CELEBRATIONS

11/03/26 - IESCA organized an Iftar gathering that brought together students, faculty, and management in a warm and welcoming environment. The event marked a time of reflection, gratitude, and togetherness, where the campus community shared the spirit of the occasion. It fostered a sense of unity and cultural harmony, encouraging mutual respect and strengthening bonds among students and faculty.

## STUDY VISITS

As part of experiential learning, students of IES College of Architecture undertook study trips to explore diverse architectural contexts and cultural landscapes.

Batch 2022 embarked on a study trip across Rajasthan, exploring the region's diverse architectural heritage and cultural richness.

Batch 2023 undertook a study trip to Ahmedabad and Jodhpur from 5th to 12th February, engaging with a rich spectrum of architectural styles and urban experiences.

Batch 2024 visited destinations such as Auroville, Pancha Rathas, Pondicherry, and Thanjavur from Feb 14th to 17th.

NEWSLETTER IESCA

**BATCH 2021 - ACHIEVES 100% PASS**

The 2021 Batch achieved a remarkable milestone by securing a 100% pass result in their S9 Examinations. This accomplishment reflects the dedication, hard work, and consistent efforts of the students, supported by the guidance of faculty, marking a proud achievement for the institution.

This feat stands as a testament to the academic commitment and perseverance of the batch throughout the semester. It highlights the supportive learning environment at IESCA, where consistent effort and guidance have contributed to excellent academic outcomes.

Bushra Beevi PK

Abhinav Krishna SM

Alisha Salwa B

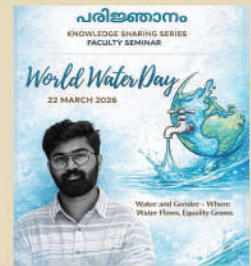

Congratulations to each and every student of the 2021 batch for this outstanding achievement. Their hard work, determination, and commitment have truly paid off, making this success a moment of pride for themselves, their peers, and the entire institution. Their success is an inspiration.

The academic performance of the S9 Batch 2021 was further highlighted by the outstanding achievements of the top performers, who demonstrated consistent dedication, focus, and excellence throughout the semester. We proudly congratulate the S9

toppers for their remarkable results: Bushra Beevi P K secured an SGPA of 8.28, followed by Abhinav Krishna S M with an SGPA of 8.11, and Alisha Salwa B with an SGPA of 7.72.

**WATER DAY CELEBRATION**

22/03/26 - As part of World Water Day, the Knowledge Sharing Series featured a faculty seminar by Ar. Bharath J. Warriar on “Water and Gender – Where Water Flows, Equality Grows.” The session highlighted the interconnectedness of water access and social equity, encouraging students to reflect on sustainability, responsibility, and inclusive development.

**TALK SESSIONS**

**FINANCIAL LITERACY**

An informative session on financial literacy for students. The session covered important topics including Basics of Banking, Saving and Investment Awareness, Digital Banking & UPI Safety, KYo & CKYC, Avoiding Financial Frauds, and the Importance of Financial Planning for Students.

**IDEA TO INFERENCE – AR. ABHIJITH MELEPURATH**

12/03/26 - IESCA hosted a special session titled “From Idea to Interface” at the Thesis Studio. The session was led by Ar. Abhijith Melepurath our alumni of the 2014 Batch, who shared insights into the journey from conceptual thinking to design realization.

It provided students with a deeper understanding of how ideas evolve into meaningful architectural interfaces through a structured process.

**ROOFED WALKWAY DISCUSSION**

13/03/26 - Our Principal Prof. Vineetha P S was invited to have a discussion on the Roofed walkway in Thrissur Round with Hon. Mayor, Deputy Mayor and with other Senior Architects & Engineers today organized by Subway & Infrastructure Society, Thrissur.

# JURY HIGHLIGHTS

The jury sessions marked an important phase in the academic journey of students, providing a platform to present their design projects, studies, and creative explorations before faculty and external jurors. Through presentations, discussions, and critical feedback, students were encouraged to refine their ideas, strengthen their design approach, and develop confidence in communicating architectural concepts.

## S1S2 BATCH - 7th and 8th April

The S1S2 jury served as an important platform for first year students to present their design explorations and creative exercises before faculty and jurors. The session encouraged critical thinking, discussion, and constructive feedback, helping students strengthen their understanding of basic design principles, spatial concepts, and visual representation.

## S4 BATCH - 21st and 22nd April

The S4 jury featured students presenting their restaurant design projects along with the study and documentation of Maranat Mana. The session reflected their understanding of spatial planning, contextual design, and traditional architectural elements through drawings, models, and presentations. Constructive feedback from the jury helped students refine their ideas and strengthen their design approach.

## S6 BATCH - 21st and 22nd April

The S6 jury featured students presenting their study and analysis of five-star hotels, focusing on spatial organization, functionality, circulation, and hospitality design standards. Through drawings, documentation, and presentations, students explored the relationship between luxury, user experience, and architectural planning while receiving constructive feedback from the jury panel.

## JURY REVIEW MOMENTS

# KREEDA 2.0

## SPORTS DAY

11/04/2026 - IESCA conducted Sports Day, Kreedda 2.0, on 11th April with great enthusiasm and team spirit. The event brought together students to participate in various sports and recreational activities, encouraging physical fitness, unity, and healthy competition across the campus.

Kreedda 2.0 featured four teams—Arakkal, Mangalassery, Kurishingal, and Samrajyam—each led by their icons Anfas, Sujeeesh, Ajsal, and Thomson. The teams were guided by captains Nishiya and Melvin (Arakkal), Binitta and

Ramees (Mangalassery), Shirin and Nihal (Kurishingal), and Mubthasima and Amaan (Samrajyam), whose leadership added energy and coordination to the event and ensured its smooth run.

## WINNERS - MANGALASSERY

## EVENT PHOTOGRAPHS

Mangalassery emerged as the overall champions of Kreedda 2.0, securing an impressive total of 71 points. through

## RUNNER UP - ARAKKAL

Arakkal secured the runner up position with 56 points. Nihal(S8) secured the Boys Individual title and Anakha(S10) secured the Girls Individual title.
