JUN 5th

ENVIRONMENT DAY

AT IESCA

Our environment. Our responsibility

IESCA celebrated World Environment Day on 5th of July by planting new trees in the college compound envisioning a greener future.

POSTER MAKING COMPETITION

As part of the World Environment Day celebrations, a poster making competition was conducted to promote environmental awareness through creative artwork. The competition witnessed enthusiastic participation, with students showcasing thought provoking artwork that highlighted the importance of protecting nature and promoting a better tomorrow.

The following students were recognised for their outstanding designs and were shortlisted :

Chaithanya (S5), Diya (S5), Devika (S5) Ananya (S3), and Adith (S9),

TREE PLANTATION DRIVE

As part of the World Environment Day celebrations, a Tree Plantation Drive was organized on 5th July at IES College of Architecture. Students and faculty came together to plant Abiu, Velvet Apple, and Four Seasons Longan saplings, reaffirming the institution's commitment to environmental conservation and sustainable living. The initiative served as a meaningful step towards enriching the campus greenery and fostering environmental responsibility among students.

READING WEEK

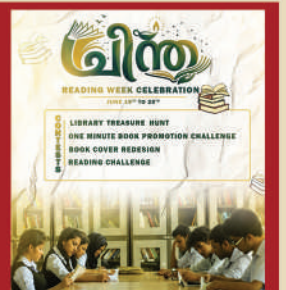

IES College of Architecture celebrated Reading Week from 19th to 25th June with a series of engaging activities aimed at fostering a love for reading and learning.

The celebration featured events such as the Library Treasure Hunt, One-Minute Book Promotion Challenge, Book Cover Redesign, and Reading Challenge, encouraging students to explore the world of books while enhancing their creativity, communication skills, and literary appreciation. The week served as a meaningful initiative to promote a vibrant reading culture within the campus.

The Reading Week competitions concluded with enthusiastic participation from students across all semesters. Ayisha Lubna (S3) won the Library Treasure Hunt, Avani Jayaraj (S9) secured first place in the One-Minute Book Promotion Challenge, and Sidhra (S9) is the winner of the Reading Challenge. All the student's enthusiasm and sportsmanship contributed to the success of the Reading Week celebrations.

NASA CONVENTION HELD AT WOXSSEN UNIVERSITY HYDERABAD

11/06/2026: The 68th Annual NASA Convention 2026 was held at Woxsen University, Hyderabad, from 11–14 June 2026, bringing together thousands of architecture students, educators, architects, designers and industry professionals from across India. Organised by Woxsen School of Architecture & Planning in collaboration with NASA India, the four-day convention celebrated architecture through inspiring keynote sessions, seminars, workshops, masterclasses, exhibitions, competitions and cultural events.

TREE WALK -LEAD BY DR.N SASIDHARAN(Retd)CHIEF SCIENTIST KFRI

05/06/2026-Tree walk led by Dr.Sasidharan at Thekkinkad Maidan in Thrissur, offering students an opportunity to step beyond the classroom and connect with nature. Guided by experienced resource persons, The walk encouraged to observe the trees around more closely and appreciate the important role they play in maintaining biodiversity and a healthy environment. Despite the rain, the experience was lively and interactive, with students actively participating in discussions and sharing observations.

STUDENT WORKS

WALL PAINTING

AT IES COLLEGE CANTEEN

The wall painting at our college canteen was created by the students, turning an ordinary space into a vibrant and creative environment. With brushes, colours, and plenty of imagination, students worked together to design and paint the walls, expressing their artistic ideas through colourful visuals and meaningful themes.

KERALA VARMA DOCUMENTATION OF THE MAIN BLOCK INTACH X IESCA

The IESCA Heritage Club, in collaboration with INTACH Thrissur, undertook a live heritage documentation project of the Main Block of Sree Kerala Varma College, Thrissur on May 29th and 30th.

5 DAYS - QGIS WORKSHOP

14/06/2026 - 5-Day QGIS, Workshop on Spatial Analysis & Mapping conducted at IES College of Architecture in collaboration with Avakaza Geoscience Research Technologies, Bengaluru. From understanding GIS fundamentals to creating data-driven urban design maps, participants explored the power of spatial analysis, suitability mapping, accessibility studies, and professional map presentation techniques. A week of learning, exploration, and transforming data into meaningful design decisions.

TECHNICAL SEMINAR

20/06/2026 - Bridging the gap between academic theory and real-world execution We had an absolutely incredible time hosting the exclusive Industry-Academia Seminar focused on "Emerging Trends in Modern Architecture & Interior Solutions". A massive thank you to our organizing partners- Varna Designers Choice, IES College of Architecture, Saint-Gobain, and Hettich, for making this event a grand success. It was a day filled with global insights, high-tech material exploration, and a deep dive into the intelligent systems shaping tomorrow.

S3 BATCH - SITE VISIT

09/07/2025 - The site visit provided a valuable opportunity to observe construction work in progress and understand how classroom knowledge is applied in a real working environment. During the visit, we observed brick masonry, concrete mixing, reinforcement bars, construction materials, and various tools and equipment being used on site. The workers demonstrated practical techniques involved in handling materials and carrying out construction.

S5 BATCH - CASESTUDY

17/7/26 - case study visit to Vaidyagrama Ayurveda Healing Village offered a meaningful glimpse into the traditional wisdom of Ayurveda and its relevance in modern holistic healthcare. Set amidst a serene, nature-rich environment, Vaidyagrama integrates classical Ayurvedic practices with sustainable living and mindful patient care.

MENSTRUAL HYGIENE SESSION

14/07/2026 - An awareness session on Menstrual Hygiene and Menstrual Cups was conducted at IES College of Architecture, Chittilappilly, in association with Amora Menstrual Cup. The session provided students with valuable insights into menstrual health, hygiene practices, and the use of menstrual cups. It also encouraged open conversations around menstrual health and promoted informed and sustainable choices among students.

FAREWELL CEREMONY

Farewell to Ar. Jeff Antony

23/6/2026 - An accomplished architect, mentor, and educator, his presence has enriched our institution and inspired countless students. While his journey with IESCA comes to an end, his contributions and the lessons he shared will remain a part of our community for years to come.

ALUMNI ACHIEVEMENTS

Our alumni continue to bring pride to IESCA through their remarkable achievements in the field of architecture and design. Their creativity, dedication, and professional excellence have earned prestigious recognitions, including iGEN Top 50 Under 40, Best Thesis Award, and Best Design Showcase Award 2025 from the Singapore Institute of Landscape Architects (SILA). These accomplishments reflect the strong foundation and inspiration gained at IESCA and motivate the next generation of architects to strive for excellence.

FAREWELL - 2020-2025 BATCH

08/07/2026- Our college recently bid a warm farewell to our beloved seniors. It was a day filled with laughter, memories, and a few emotional moments. We celebrated their journey and wished them success and happiness soon enough. Though we miss their presence, the sweet memories we had with them will always be special. The goodbye was a sweet reminder of the friendships we forge in our college days. We hope that our seniors take these memories with them as they begin a new chapter in their lives."
